This is a very faint, light gray map projection. It features two horizontal lines labeled 'BLVD.' at their left ends. The top line is labeled '2001' and the bottom line is labeled '2000'. Between these lines, the text 'STONY ISLAND PARK' is centered. A small, empty rectangular box is positioned to the right of the park label. The entire map is set against a white background with a thin black border.

The site plan illustrates a complex urban area with the following key features and labels:

- CHICAGO**: A label for a street segment.
- ST.**: Labels for several street segments, including one at the top center and one at the bottom center.
- L.S.B.M.S. R.R. FULL OF TRACKS**: A label for a railway line running diagonally across the upper right quadrant.
- P.E.W. & C.R.R. FULL OF TRACKS**: A label for another railway line running diagonally across the middle right quadrant.
- SKYWAY**: A label for a pedestrian bridge or walkway.
- ANTHONY**: A label for a street segment on the left side.
- BLVD.**: Labels for boulevard segments, including one on the left labeled "BLVD." and one on the right labeled "BLVD.".
- AV.**: A label for an avenue segment on the right side.

The plan also shows a detailed building footprint on the left side, consisting of multiple rectangular units with internal room divisions and small square windows. The entire plan is bounded by a large rectangular property line.
